Objective: Seeking an internship during the summer of 2013 with the primary goal of contributing to the organization and gaining experience in the field of computer science.

Education:

University of Michigan - Ann Arbor September 2010 - Current
B.S.E. - Computer Science; Mathematics Minor
GPA: 3.76 / 4.0
Expected Graduation: April 2014
Relevant Coursework:
- EECS 280 & 281: Data Structures & Algorithms
- EECS 370: Computer Organization
- EECS 381: Object Oriented and Advanced Programming
- Math 217: Linear Algebra

Honors and Awards:
- Dean's List: Fall 2010 through Fall 2012
- University Honors: Fall 2010 through Fall 2012

Pinckney Community High School September 2006 - June 2010
GPA 3.99 / 4.0 - Salutatorian

Experience:

TEK Environmental & Consulting Services May 2012 - August 2012
Environmental & Data Intern
- Developed efficient data entry and manipulation methods in Excel
- Carried out environmental project testing and verification
- Performed basic IT tasks

Dance Marathon at the University of Michigan April 2012 - Current
Administration Co-Chair
- Facilitate data collection and organization by managing a database
- Aid members in utilizing information through data analytics
- Maintain office technologies and efficiency

Mathnasium LLC May 2011 - January 2012
Instructor
- Privately tutored several AP Calculus students

Computer Skills:

Platforms:	Mac OS X, Linux, Windows
Languages:	Proficient in C/C++
	Working Knowledge in Python, SQL, Matlab and HTML
Applications:	Microsoft Office Suite, IBM SPSS Statistics

Activities:

Computer Science & Engineering Scholars January 2011 - Current
- Plan and participate in community service events

Michigan Tech Day October 2010 - Current
- Event to recruit prospective engineering students

Dance Marathon at the University of Michigan March 2009 - Current
- Student run non-profit that raises money and awareness for pediatric rehabilitation
