Objective: Seeking an internship during the summer of 2013 with the primary goal of contributing to the organization and gaining experience in the field of computer science.

Education:

University of Michigan GPA: 3.74 / 4.0   September 2010 – Current
    College of Engineering
    Expected Graduation: April 2014, B.S.E. in Computer Science; Mathematics Minor
    Relevant Coursework:
- EECS 280 & 281: Data Structures & Algorithms (C++ programming)
- EECS 398: Computer Security
- EECS 475: Cryptography
- EECS 370: Computer Organization
- EECS 203: Discrete Mathematics
- EECS 376: Computation Theory
- Math 475: Number Theory
- Math 217: Linear Algebra
- Entrepreneurship Seminar

    Honors and Awards:
- Dean's List – Fall 2010, Winter 2011, Fall 2011, Winter 2012
- University Honors – Fall 2010, Winter 2011, Fall 2011, Winter 2012

Pinckney Community High School   GPA: 3.99 / 4.0   September 2006 – June 2010
    Relevant Coursework:
- IT Computer Systems, Advanced Placement Calculus

    Honors and Awards:
        Salutatorian, Kensington Lakes Scholar Athlete Award

Experience:

TEK Environmental & Consulting Services Inc. Intern   2012 - 2012
- Aided company in developing efficient data entry methods in Excel
- Carried out environmental project testing and verification in various field settings
- Performed basic IT tasks, including troubleshooting computers and networks

Dance Marathon at the University of Michigan Administration Co-Chair   2012 - Current
- Facilitate collection and organization of information through management of a database
- Aid other members in utilizing database by carrying out data pulls
- Coordinate events and promote an organized and efficient office

Mathnasium LLC Instructor   2011 - 2012
- Served as math tutor to multiple students simultaneously
- Privately tutored several AP Calculus high school students
- Tutored wide range of students, from elementary to high school

Activities:

Computer Science & Engineering Scholars   2011 - Current
- Setup and attend on campus tech talks and events
- Plan and participate in community service events

Michigan Tech Day   2010 - Current
- Campus event to recruit prospective engineering students

Dance Marathon at the University of Michigan   2009 - Current
- Non-profit student run organization that raises money and awareness for pediatric rehabilitation through year-long fundraising and community outreach activities
